Brian, in this case I would contact Captain Rodriguez and obtain someone in his shop that you can coordinate any response. I would do this because of the past threats. Captain Rodriguez's office number is (323) 846-6524. Mike

Good Afternoon Sergeant,

I was wondering if you had a contact I could reach out to in the Newton Division. We are having our Chief of Staff's Dinner at 777 S. Alameda and we would like to reach out and let them know. I am told they had the same event there 2 years ago and protestors showed up. Carol would like them to be a visual presence if possible so there is no repeat of two years ago. My understanding is a Board Member was physically pushed by one of the protestors. Dan was kind enough to give me Officer Highlands cell number (called twice no answer) and Capt. Rodriguez as well. I do not want to jump to the Captain without seeing if there is someone else I can speak to, any help would be greatly appreciated.
